

Sri Comforts — Contact, Locations & Escalation

Primary phone

- Display: +91 40 2700 1342
- Tel link: tel:+914027001342

Use this for speaking with HVAC experts about systems, AMC plans, project timelines, and urgent needs.

Head office (Hyderabad)

Sri Comfort Air Products & Services

12-5-21/1, Vijayapuri Colony, Tarnaka, Secunderabad, Telangana 500017, India

Google Maps: available from the website Contact page (/contact).

Website contact paths

- General contact / talk to us: /contact
- Service request (breakdown, maintenance, performance concerns): /services/service-request
- AMC plans: /services/amc
- How we work (process): /services/how-we-work
- Free AC tonnage calculator: /resources/ac-tonnage-calculator
- Product overview download / resources: /resources/product-overview (also promoted on Contact)
- Careers: /career
- Blog / guides: /blog

What visitors can request

Via website forms and team conversations:

- Free consultation
- Site assessment call
- AMC plan review
- New installation enquiry
- Service & support request
- Same-day response (as stated on contact CTAs)
- Tailored AMC options

Service coverage notes

Public messaging highlights service and portfolio visibility across:

- Hyderabad
- Bengaluru
- Chennai
- Broader South India / eight cities with local teams

If a visitor asks about a city not listed above, do not invent coverage — collect their location and direct them to phone or /contact so the team can confirm.

Escalation rules for the chatbot

When to stop answering and push to human contact:

1. Emergency breakdown / system completely down
2. Need a firm price quote or commercial proposal
3. Need a scheduled site visit or technician dispatch
4. Warranty / invoice / account-specific history questions
5. Anything not covered in the knowledge base

Recommended reply pattern:

- Briefly acknowledge the need
- Share phone +91 40 2700 1342
- Point to /contact or /services/service-request
- For AMC-specific questions, also point to /services/amc
